MALINE

Thandolwethu Ntokozi Nkomo, born in Empangeni and raised in the vibrant heart of Gamalakhe (South Coast), is now based in Durban, where she continues to shape her sound and pursue her journey as a music artist. She is signed under Mayonie Productions, a home that continues to support her evolving artistry.

MALINE AURA is the voice of the divine in motion. Radiating soul, spirit, and sensuality, she moves between worlds, blending Afrocentric storytelling with an electronic pulse and power with poetry. Every stage she graces, her presence feels like a crown—earned, not worn. This is not just sound

This is sovereignty.

**MALINE AURA IS A MODERN MYSTIC, A SONIC QUEEN, AND A FEARLESS FORCE
RESHAPING THE SOUND OF AFRICAN ELECTRONIC MUSIC.**

AURA

Her voice doesn't just sing — it guides. Her lyrics don't just land — they linger. Rooted in sacred rhythm and layered with electronic expression, she crafts music that speaks to the soul, moves the body, and awakens memory. Every track is a ceremony. Every performance is a portal.

With a sound that fuses deep emotion, ancestral energy, and bold modern production, Maline stands at the intersection of feeling and freedom. Her music is where spirit meets sound system — and her artistry holds space for reflection, healing, and unapologetic self-expression.

She doesn't follow trends — she channels truth. She doesn't chase the spotlight — she embodies it.

MALINE AURA IS NOT HERE TO ENTERTAIN. SHE'S HERE TO ELEVATE.
